RECOVERY OF 01 PACKET OF SUSPECTED HEROIN BY BSF IN **GURDASPUR DISTRICT**

On 08th March 2024, acting on the information from BSF intelligence cell, regarding the presence of a suspected packet in the border area of Gurdaspur district, BSF troops promptly responded by launching an extensive search operation.

2. During the search, at about 07:00 pm, the vigilant BSF troops successfully recovered 01 packet weighing 470 gms, suspected to contain heroin. The narcotics were wrapped with yellow adhesive tape and a nylon hook was found attached to the packet. This recovery occurred in a farming field adjacent to Chakram Sai Village in Gurdaspur District.
3. Through diligent efforts and reliable information, the BSF thwarted yet another attempt by the narco-syndicate to smuggle contraband substances into India from across the border.
